

CREATIVE CAREERS

Getting started in museums and galleries

www.npg.org.uk/creativecareers

Brief for audio post

The audio post should look at a range of writers– playwrights, poets, lyricists, novelists - from different periods and from all areas of the exhibition.

Please talk about why you find this writer inspiring or how you've been influenced by them. We've come up with a series of questions which (we hope!) will help you. Imagine you're talking to someone who hasn't got a clue who they are.

- Who's your favourite writer in the show?
- Describe their writing style and three topics they write about
- What's your favourite work by them? Briefly describe it
- Why do you think they're an important writer?
- How did you discover them?
- How have they inspired/influenced you? Why are they your favourite?
- Which works of theirs would you recommend?
- Is there anyone else in the exhibition who has a link to them?
- Why is it exciting to see this writer in the exhibition?
- Describe the portrait? Do you think this work encapsulates what they're about?
